RANCHCOMPANY

Thank you for your recent inquiry.

I have a family heritage that spans three generations of farming and ranching, raising registered Herefords and Quarter Horses and have owned and operated a livestock auction company as well as several other businesses throughout the United States creating multiple contacts in the industry. I am a member of the American Hereford Association, American Quarter Horse Association, USTRC, USTPA and have degrees in animal science and agronomy from Fort Hays State University. I am a licensed broker in the states of Colorado and Kansas and look forward to working further with you!
