

RANCH@COMPANY®

REAL ESTATE BROKERAGE & AUCTION SERVICES

Thank you for your recent inquiry.

Born in Albuquerque, N.M., I have lived in the west my entire life and have spent over 20 years in Colorado, farmed and ranched in the Panhandle of Nebraska for 12 years and operated a quarter horse breeding operation in Texas, the heart of the American Quarter Horse industry. I was a hands-on owner and operator of an 880-acre ranch in the Pine Ridge National Forest region in Nebraska. For many years I've bred, raised and marketed the top bloodlines in the Quarter Horse industry, bred specifically for cutting, reining and working cow horse. My diverse and knowledgeable background, a great passion for the outdoors and a love of the Rocky Mountain Region made me move back to Colorado from Texas and the progression to a Mason & Morse Ranch Broker a natural transition.

If you have any questions or would like to schedule a private showing, please do not hesitate to contact me personally. My contact and additional information is included below.
