

WILLWOOD CABIN

POWELL, WYOMING | 3 ACRES | \$325,000

Discover the allure of this newly built log cabin perched on a rim lot between Cody and Powell, Wyoming. A secluded haven that blends rustic charm with modern comfort. Overlooking the Shoshone River and bordered by acres of Bureau of Reclamation public land, this property offers unparalleled access to nature and recreation. Thoughtfully designed to complement the surrounding landscape, the cabin features vaulted ceilings, tongue-and-groove wood accents, and an open-concept kitchen, dining, and living area adorned with stainless-steel appliances. In-floor radiant heat ensures year-round comfort, while a spacious bedroom, bathroom, loft, and laundry room offer functional living space with cozy character. A 1,000-gallon water cistern (supplied by a well) provides water security, and the partially fenced acreage includes minimal covenants, making it horse-friendly and open to future expansion, whether additional living units or a custom outbuilding. Thousands of acres of BLM land lie to the east, perfect for hiking, horseback riding, and other outdoor pursuits. Enjoy easy access via a county-maintained paved road, just 15 minutes from Cody and only 50 miles from Yellowstone National Park. This is more than a home, it's a retreat where the wild beauty of Wyoming meets refined cabin living. Welcome to life on the rim, where nature, freedom, and comfort come together under the endless Wyoming sky.
